## Christmas Bazaar

What a fabulous afternoon!! The children were so excited to welcome Santa Claus at 3.00pm as he arrived and was shown to his Grotto by Anson and Stanley, Head Girl and Head Boy. He was very busy for the next hour and a half with lots of children going to see him and receive their present.

There were lots of stalls including the bottle tombola with a hidden bottle of champagne, the raffle with prizes for children and adults including hampers and two wonderful homemade Christmas cakes. The cakes and refreshments did a roaring trade with lots of delicious cakes and mince pies. There was face painting, print your own wrapping paper, Christmas games and the Christmas stall with decorations, wrapping paper and gorgeous knitted gifts. Guess the name of the Teddy was won by Nathaniel with the very Wintery name of Icey.

Little Galaxies Rock performed with a selection of Christmas songs which made the 2018 Christmas Bazaar extra special. It was wonderful to see so many parents, grandparents, past pupils and neighbours enjoying themselves and raising a fantastic £1,250. A huge thank you to everyone for their support..

## A note from Mr Wardle about the Book Fair

*Well done!! We raised £240 commission at the Scholastic Book Fair. By buying books you raised money for new books for the Library. The children were delighted with the selection of reference books on the Tudors, Vikings and Anglo Saxons, penguins and lots of other topics plus a variety of reading books. We are looking forward to enjoying our new books.*

## A 'thank you' from Miss Emma and the Saigon Kidz

Dear Mr Wardle, Mrs Fraser & all at Cleve House, Thank you very much for the very generous donation of £80.

We are so grateful & touched by this & also for all the wonderful clothes you have kindly donated. I look forward to sharing my trip with you all & showing you where your donations gone. Thank you again and very best wishes, Miss Emma

## Macmillan Coffee Morning

On Friday 5th October we had the Macmillan coffee morning. Lots of people brought in cakes and cookies. The cakes didn't have a set price because it was a donation. Eleanor had a Pom-Pom stall and in total she made £40. That money went to Cleve House School.

The Little Galaxies also performed as entertainment, and the songs they performed were: The Greatest Show, Counting Stars, Everything is Awesome, Ways to be Wicked and Fight Song. Everybody stuffed themselves with cake. It was so much fun and we look forward to the next coffee morning.

The total amount we made for Macmillan is £300.00.

## Diversity

Different opinions in our minds when 'diversity' appears.

Same word,  
Same meaning,  
Different thoughts.

Different eye and skin colour in our unique bodies.

Same parts,  
Same species,  
Different origin.

Different emotions we feel when news is revealed.

Same news,  
Same thing heard,  
Different feelings.

Different abilities and skills when tasks are given.

Same challenge,  
Same attempts,  
Different answers.

Different ideas on what to do at bad events.

Same incident,  
Same thing happened,  
Different choices.

## Autumn Arrives

Autumn has arrived  
You can see it on the trees  
Red, gold and brown  
Empty branches, leaves falling down.

Collecting shiny conkers  
For conker fest at school.  
When it's time for Halloween disco  
I'll probably go as a mummy or ghoul.

Meanwhile, on foggy chilly mornings  
Farmers are waking up and yawning  
Putting on his gloves and coat  
Tending to his cows and goat.

# Bubbles with Clifton High

*After lunch we went up- stairs to the computing room. When we went in there were six people from Clifton High. We sat and we did an experiment with water, washing up liquid and Berocca. We used 20ml of water, a drop of washing up liquid and then a quarter of a Berocca tablet.*

*Then we watched what happens if you put a warm spoon on dry ice—it squeals really really really loudly and it hurts your ears.—Cameron, F5*

Collecting harvest crops,  
To fill the shelves in our shops.

Darker nights and shorter days,  
Foggy, frosty, damp and cold  
Hibernating hedgehogs  
Migrating birds, except a little robin—brave  
and bold.

Winters around the corner,  
Christmas will soon be here.  
Ready to repeat it again next  
Year!

# The ISA Swimming Gala

*'On Wednesday 14th November me (Gracie) and 4 other girls including Molly, Eleanor, Chloe and Isabella went to the ISA swimming gala in Sherborne. We had to be at school by 7.30am, which was hard for some but we all arrived at the same time.'* - Gracie, F5

*'When we reached our destination, Eleanor swam the first race. She did a 50 metre race of breast stroke (50 metres is two lengths of the pool) and she got 2nd Then it was my race I did the same as Eleanor, she told me I got 1st place!'* - Molly, F5

*'The last in this race was Chloe and she came 3rd place. Then it was backstroke me and Isabella did it. Isabella came 4th and I came 3rd'* - Gracie, F5

*'After front crawl we got changed to eat lunch. We were really happy with what we had achieved but it was time to go home'* - Molly, F5

# Sidcot trip

On 16th November Form 5 & 6 went on a trip to Sidcot School to go orienteering (map reading).

*'We were introduced to the school's years 5 & 6 who we would be spending the day with.'* - Stanley, F5

*'We were all very excited, the staff who arranged us was called Steph—she was really nice.'* - Gracie, F5

*'The first team-building exercise was that Steph put some planks of wood on a bunch of crates and then we were given one extra crate so we hopefully did not fall off. We had to try and put ourselves in height order without falling off. It was VERY HARD!'* - Anson, Chloe & Molly, F5

*'After our break we went back to the field and were shown a map of the fields we were in. On the map there were 16 points that we had to find in half an hour. There were signs at each point that had two letters and one number on each one. Our team managed to find about six... overall my team came 4th out of 8 teams.'* - Stanley, F5

*'Once the time had finished we all had lunch in the hall and then we all went outside in the playground. We played for about 30 minutes, then we sadly had to go home, but the day was amazing and everyone liked it a lot.'* - Gracie, F5
